In paragraph 1 of G. O., No. 2,923, dated 18th ultimo, it is ordered that the cost of establishment for Mr. Assistant Engineer Gilby should be charged against "Minor Works," I therefore request to be informed of the Budget head this refers to.

2. The whole of the allotment under "Minor New Works, Military," for 1871-72 will be required for buildings, and I trust, therefore, that funds may be found to charge the salary of the establishment in question against the amount provided for temporary establishment.
